

Parallax PBASIC Tokenizer Software License

Terms and Conditions for Distribution

This document, when executed by the below identified License signature, constitutes a License by Parallax to copy and distribute our Parallax PBASIC Tokenizer Library software.

This License is issued without compensation to Parallax to allow additional BASIC Stamp Development Environments to be developed on multiple platforms.

For rights of use beyond the scope of this License, please contact the named Parallax Trademark and Intellectual Property Manager at the contact information shown at the bottom of this License.

LICENSE TERMS

1. Existing Software is Copyright by Parallax Licensee may copy and distribute copies of the PBASIC Tokenizer Library software as received, in any medium, provided that Licensee appropriately publish on each copy release that the PBASIC Tokenizer Library software is copyright Parallax, Inc. 2002; a disclaimer of warranty; and that any recipients receive a full copy of this License either in print or included with the media, as well as during software downloads from the internet.
2. Distributed for No Charge Only. You may not charge for or receive any compensation in any form for the PBASIC Tokenizer Library software itself. Contact Parallax's Trademark and Intellectual Property Manager if distributing pay-for software is part of your business plan.
3. Limited Development Support from Parallax. The PBASIC Tokenizer Library software is offered, as is, with development support only to the extent of topics related specifically to the PBASIC Tokenizer Library that are not sufficiently documented. Parallax will not provide support for anything outside of the above, including inquiries pertaining to linking to specific languages, environments, etc.
4. Distribution of Software Requires Signed Agreement. If Licensee plans on distributing a copy of the PBASIC Tokenizer Library software, Parallax requires that Licensee submit a copy of each Licensee signed agreement relating to that PBASIC Tokenizer Library software using the contact information shown at the bottom indicating that Licensee agrees to the terms of this License and will administer the protections provided Parallax in all subsequent Licenses issued by Licensee.
5. License Limitations. Licensee may not copy, modify, sublicense, or distribute the PBASIC Tokenizer Library software except as expressly provided under this License. Any attempt to copy or otherwise modify, sublicense or distribute the PBASIC Tokenizer Library software is void, and will automatically terminate these Licensed rights to make any further distribution. Should Licensee desire to broaden these Licensed rights contact our Trademark and Intellectual Property Manager to negotiate an amendment to this agreement. Parties who have received copies, or rights, or Licenses from you under this License will not have their licenses terminated so long as such parties remain in full compliance.
6. Signed License Required. To effectuate this license you must return the signed copy to Parallax Inc. (with a copy of the licensee's drivers license) to the contact person shown below by fax or mail.
7. License Transfers with Software. Each time Licensee redistributes the PBASIC Tokenizer Library software, the recipient must automatically receive a license with a copy of the original License before being allowed to copy and distribute the PBASIC Tokenizer Library software subject to these terms and conditions. Licensee may not impose any further restrictions on the recipients' exercise of the rights granted herein. Licensee is not responsible for enforcing compliance by

third parties to this License, though any recipient who chooses to distribute the PBASIC Tokenizer Library software is subject to the Licensee restrictions set forth in paragraph five.

8. WARRANTY. There is no warranty for the PBASIC Tokenizer Library software. Parallax provides the PBASIC Tokenizer Library software “as is”, without warranty of any kind, either expressed or implied. The entire risk as to the quality and performance of the software lies with the recipient.
9. No Parallax Liability. In no event will Parallax be liable to Licensee and or third party for damages; including general, special, incidental or consequential damages arising out of the use or inability to use the software (including but not limited to loss of data or data being rendered inaccurate or losses sustained to you by 3rd parties), even if such holder or other party has been advised of the possibility of such damages. Parallax will not be liable for any designs using PBASIC Tokenizer Library software that might result in injury, death or any damage to or beyond the user's cost of the product Licensed or purchased from Parallax. Licensee agrees to indemnify, hold harmless, defend and protect Parallax against any claims for damages to property or injury or death of any persons asserted to arise out of any use of this Licensed PBASIC Tokenizer Library software.
10. No Rights to Parallax Hardware. If a recipient of our PBASIC Tokenizer Library software attempts to create and sell a BASIC Stamp device (that does not use original Parallax PBASIC Interpreter chips), their License is immediately invalid. In this case the Licensee and each sub-License acknowledges that Parallax will pursue all required further action, either legally or through mediation, to protect its interests between the two parties.
11. Parallax may Refuse License. Parallax, Inc. reserves the right to refuse to grant or continue any license for any reason, including reasons listed in the above paragraphs.
